

**Would you like to exchange or  
return your footwear?  
No Problem!**

**Please fill out this form and ship it together with your clogs back  
to our office. We are always happy to help you!**

Please read the instructions carefully:

1. Wrap the footwear appropriately; use the same packaging material the footwear arrived in. Always use the original corrugated cardboard divider to prevent the products from banging against each other during shipment, as the staples will leave marks in the wood if they are not kept separate. If you need additional wrapping to protect your items, make sure to use nonabrasive wrapping paper such as soft paper towel. NEVER USE NEWSPAPER as it will leave marks on the leather!
2. A good way to further enhance the protection of the footwear is to add wrapping in the bottom of the shoebox and at the top over the footwear before closing the shoebox.
3. Place the footwear and this Return/Exchange Form in the original shoebox and place the shoebox in the original outer shipping carton. Make sure you use appropriate strong tape when sealing the outer shipping box.
4. You may ship the footwear back to us via USPS, UPS or FedEx.

Our shipping address is:
